6. [redacted] LIAISON Called Tom Latimer, 25X1
Staff Director, House Permanent Select Committee on Intelligence,
and said that the DCI and the Attorney General wished to discuss
with Representatives Edward Boland (D., Mass.), Committee
Chairman, Les Aspin (D., Wis.) and Bob Wilson (R., Calif.), both
Members of the Committee, their letter reflecting concern on
the [redacted] finding within the overall 7 June Presidential 25X1
Findings. I told Mr. Latimer that the DCI and the Attorney
General were free on specified days and hours and asked Mr. Latimer
to try to line the Congressmen up on one of the three cited
days and times. He said that he would get back to me.
